M1 Cross Platform Control

- M1G** Full Featured Security & Automation Control
- M1KP** LCD Keypad, 2 x 16 Character, backlit
- M1XIN** 16 Zone (input) expander. Up to 12 per sys.
- M1XOVR** 16 Output expander. 8 voltage/8 Relays
- M1RB** 8 relay board for use w/Ctrl, XOVR, or XOV
- M1DBH** Data Bus wiring hub for multiple homeruns
- M1XEP** Ethernet port expander/interface
- M1XSP** Serial port expander for additional serial ports.

Magic Module Series

- MM220** Magic Module, 2 Input, 2 Output, Programmable
- MM443** Magic Module, 4 Input, 4 Output, Programmable
- MB485** Data Bus Interface, RS232 to RS485

Rust Free Sirens / Speakers

- 1RT** Speaker & Stainless Steel Enclosure
- 150RT** Siren & Stainless Steel Enclosure

Speakers & Sirens

- 44** Speaker, 30 W, 8 Ohm Compact Horn
- 45** Siren, Compact Horn, 118db
- M120** Siren, Single Tone, 107db, Mini Horn
- SP15** Speaker, 15 watt, Small Horn
- SP30** Speaker, 30 watt, Horn
- SP35** Speaker, 20 watt, Interior
- SP40** Speaker, 40 watt, Horn
- SS15** Siren, Dual Tone, 110db, Horn
- SS30** Siren, Dual Tone, 120db, Horn
- SS36** Siren, Dual Tone, 105db, Interior

ECHO™ Sirens & Speakers

- 73** ECHO Speaker, 20 Watt, Interior
- 74** ECHO Dual Tone Siren, Interior
- 75** ECHO Voice Siren, Interior

Siren & Voice Drivers

- 100** High Performance Siren Driver
- 110** Voice Siren Driver, English & Spanish
- 120** Recordable Voice Module and Siren
- 124** Recordable Voice Module, 4 Channels

Surge Suppressors

- 950** Surge Suppressor, Phone & Power Line
- 951** Surge Suppressor, Phone - Single Line
- 955** Surge Suppressor, Phone - Dual Line

Relay Modules

- 912** Compact Relay, 12 Vdc, SPDT
- 912B** Heavy Duty Compact Relay, 12/24 Vdc, SPDT
- 924** Sensitive Relay, 12/24 Vdc, DPDT
- 941** Alarm Output Director
- 960** Delay Timer Relay, 1 sec. to 60 min.

Power Products

- 1250** Battery, Lead Acid, 12v, 5Ah
- 1280** Battery, Lead Acid, 12v, 8Ah
- P112** 12 Volts DC, 1 Amp Power Supply w/Enclosure
- P124** 24 Volts DC, 800mA Power Supply w/Enclosure
- P1216** 12 Volts DC, 1.5 Amp Power Supply
- P412** 12 Volts DC, 4 Amp Power Supply
- P624** Power Supply & Battery Charger
- PD9** Power Distribution Module
- 965** Low Battery Cutoff and Power Switch

TRG1640 Transformer, 16.5VAC @ 40 VA

TRG2440 Transformer, 24VAC @ 40 VA

Accessories

- 129** Computer Sound Card Interface
- 800** Audio Amplifier, 10 Watts
- 900-2** "B" Connectors, Unfilled, 500 pcs
- 902-2** "B" Connectors, Gel filled, 500 pcs
- 999** Double Sided Tape
- SL1** Strobe Light, 4 colors available
- WK1** Wall Mount Kit for SL1 Strobes

ASSORTED THICKNESS

**Double Sided
 Mounting Tape
 ELK-999A**

APPLICATION:

Double Sided Mounting Tape with an aggressive pressure sensitive permanent adhesive on both sides. Package contains an assortment of three (3) thicknesses; 1/16", 1/8", and 1/4". This tape can be used in place of mechanical fasteners to mount relays, siren drivers, and many other devices to various surfaces. It is flexible and conforms to irregular surfaces.

ASSORTED THICKNESS

**Double Sided
 Mounting Tape
 ELK-999A**

FEATURES:

- Aggressive Permanent Adhesive
- Closed Cell Foam
- Flexible, Conforms To Irregular Surfaces
- Hundreds Of Uses And Applications
- Ideal For Mounting Circuit Boards
- Assortment of Thicknesses
- Handy Reusable Poly Storage Box

SPECIFICATIONS:

- 156 Pre-cut Pieces
- Individual Piece Size: 1/2" x 1-1/2"
- Thickness (52 pieces of each): 1/16", 1/8", 1/4"

Features or Specifications subject to change without notice.
