55-WT001-000-GV-Wiegand Capture

GEOVISION - 55-WT001-000-GV-Wiegand Capture

Product Code	55-WT001-000
Description	<p>The 55-WT001-000 from Geovision is a GV-Wiegand Capture that integrates the current Wiegand access control system into DVR systems manufactured by GeoVision. In 55-WT001-000 the photo identification and text data from the access control can be easily combined on the video data from DVR.</p> <p>The GV-Wiegand Capture is ideal for access control, time and attendance, or authorized access management where video data is required. The security can use the higher security level of the combined video data for live monitoring during busy hours, and for recording during off-peak hours.</p>
Specifications	Values
Model	55-WT001-000
Communication RS-232	DB9 Female
Communication RS-485	Terminal Block
Input	2
Input Signal	12V Voltage input / dry-connect input
High State	9~12V / close
Low State	0V / open
Relay Output	2
Relay Status	Normal Open
Relay Capacitance	3A / V AC125V, 1.5A / V AC250V
Relay ON Time	4ms
Relay OFF Time	4ms
Input Connector	12V, D0, D1, GND
Output Connector	12V, D0, D1, GND
Format	Wiegand 26 Bits~40 Bits
DC IN	DC 12V, 1A
Operation Temperature	0~55°C / 32~104°F
Humidity	5%~95% (non-condensing)
Dimensions (W x H x D)	120 x 68 x 26 mm / 4.72 x 2.68 x 1.02 in

• Features

- Integrates the current Wiegand access control system into DVR systems.
- Photo identification and text data from the access control can be easily combined on the video data from DVR.
- Ideal for access control, time and attendance, or authorized access management where video data is required.
- Used for higher security level of the combined video data for live monitoring during busy hours, and for recording during off-peak hours.

Terms & Policies:

Pricing:

We make every effort to provide you the most accurate, up-to-the-minute information, but mistakes do occur, and we must reserve the right to make corrections, adjustments or changes without notice. If you have ordered an item that is subject to a price increase, we will hold your order and inform you of the increase.

Availability:

The availability information presented on our site is the best, most current information we have, but errors do occur, and this information does not constitute a guarantee or promise of availability. If a product you have ordered is not available for shipment, we will do our best to let you know. Anticipated delivery dates are dependent upon our suppliers and other factors beyond our control, and are subject to change.

Payment:

At this time, Surveillance-Video.com accepts the following payment methods: American Express, VISA & Master Card, Discover Card, Paypal.

All credit card orders are subject to verification and approval by the card-issuing bank. For your protection, credit card orders shipped to an address other than your billing address may require additional verification. Surveillance-video.com reserves the right to contact you by email or telephone to request additional identification. We may reject orders if the verification fails.
