Item Number: DD2020

Personal RF Detector

Images:

Product Features:

• Silent Detection
• Small size

Product Specs:

• Internal NiCD battery pack
• Detects analog signals
• Vibration motor and earphone for private detection
• 5 section bar graph to show relative RF signal strength
• Low power consumption
• 1 MHz - 6 GHz Frequency range
• Sensitivity adjustment
• 9V DC 300mA power

Product Includes:
• AC wall charger
• 2.4 GHz antenna
• Earphone
• Users manual
