A Safe Fleet Brand

RVS-50W

Perfection takes time, especially with something as complicated as wireless transmission. Our newest wireless camera, part of our new SimpleSight™ Series was born from years of testing and multiple prototypes. This camera boasts a 100' digital wireless range which is guaranteed to work even at highway speeds. Users can pair this wireless camera with our compatible wireless monitor (RVS-35WM) without leaving the cab via Instant Pair technology.
